March 15, 2010

Dear Mooring Customer,

Welcome to the inaugural season of the Fallen Leaf Lake CSD operation of the Fallen Leaf Lake Marina. We wish to thank Fallen Leaf Landing for the wonderful service and commitment they have provided to the Fallen Leaf Community.

We will strive to make this as seamless a transition as possible for you, so please let us know of any questions, comments, or suggestions you may have. Your first line of communication will be our General Manager, Tom Barnes (530-544-3300 or tbarnes@fallenleaflakecsd.org). You may also contact Patsy Miller, secretary of the CSD (530-621-1904 or pmiller@fallenleaflakecsd.org)

Preparations for the summer are well underway. The Marina will be open for your launching on the Memorial Day weekend. There may be the occasional snowstorm or inclement weather that is endemic to the Sierra, but we will be ready.

The seasonal mooring fee for this summer is \$1550.00. Please keep in mind that boats moored at the Fallen Leaf Marina may not exceed 22 ft., 3100 lbs. and 100-inch beam. An additional reminder – to prevent the spread of aquatic invasive species in Fallen Leaf Lake, hot water boat washing is required prior to launching / mooring your boat. We will provide additional information upon receipt of your Marina Slip Rental Agreement.

To secure your mooring slip please fill out the enclosed mooring agreement, enclose your check made payable to Fallen Leaf Lake CSD, and mail both to the address above prior to April 30, 2010.

Upon request, returning customers will be assigned to the slip location they used last summer. Please identify that slip location on the attached marina slip map and return it with your Marina Slip Rental Agreement. If you are a returning customer and would like to request a different slip location, please make a note to that effect on your Marina Slip Rental Agreement. Requests will be handled according to postmark and satisfied if vacancies permit after the April 30, 2010 deadline. New customers will be accepted and assigned mooring slip vacancies after April 30th.

Please contact us with any questions you may have. We thank you for your business and look forward to seeing you at Fallen Leaf for another wonderful season.

Tom Barnes, Interim General Manager
Fallen Leaf Lake CSD
