INTERIM GENERAL MANAGER LETTER TO FALLEN LEAF LAKE

I regret that anyone in the Fallen Leaf Lake Community felt offended by my Report of Concerns, dated February 29, 2010.

I want to publicly apologize to the owners of Fallen Leaf Landing, Incorporated (John and Ruth Rich) if they felt slandered or libeled by the wording and/or opinions in my report.

My intent was to render a factual account in response to direct public inquiry regarding my job duties and interface with Fallen Leaf Landing.

Tom Barnes

Interim General Manager

Fallen Leaf Lake Community Services District
