

Dear Fallen Leaf Lake Community:

I wanted to let you know that we **will not have** a CSD meeting this weekend, September 20th, 2009. Our next meeting is currently planned for the weekend of October 10th.

At the Labor Day Meeting, there was a motion passed that should an agreement in principle not be reached between Directors Kraft and Thomas and Fallen Leaf Landing by September 19, 2009, the CSD will proceed to execute the decision made at the April 25, 2009 Board Meeting.

At this time there have been no changes negotiated since the last version of the contract, dated August 15th, 2009. At that time there was not enough support on the Board to get a motion seconded, let alone approved.

Without having an agreement in principle at this time, we will proceed with the steps necessary to execute the decision to have the CSD operate the Store and Marina for the 2010 season.

We will publish the agenda for the October meeting at a later date.

Regards,

Dana Clark, President
Fallen Leaf Lake CSD
