

**Request for Study and Recommendations  
Community Area Advisory Committee (CAAC)  
Fallen Leaf Lake Community Services District**

**April 25, 2009**

1. Review and clarify Parking Policies in the community area (page 4 of Policies and Procedures); include boat trailer parking issues, community building usage parking, and parking fees
  2. Review and possibly expand the language under General Appearance regarding aesthetics in the visible area
  3. Consider adding language regarding "green" management
  4. Incorporate boat washing policy
  5. Consider management of pets in the community area
  6. Consider changes regarding mooring such as the language regarding the sailboats on the east end or use of the shoreline for beaching boats and small craft
  7. Relook at the season. Is it still Memorial Day to Labor Day?
  8. Consider variable mooring rate dependent upon size of boat and possible fire and safety surcharge for those whose moored boats do not pay a Fallen Leaf fire special tax
  9. Guidelines for establishment of mooring fees by the CSD Board - rewording or clarification
- Current Policy and Procedure Document modified November 11, 2001 attached

**August 3, 2009**

1. Launching of boats without current registration numbers displayed or without proper reg sticker - what is guideline on this?
2. Mooring of boats without proper registration numbers or stickers - above but for mooring in CSD marina
3. Sea Planes - are they allowed in marina? We had one last year or before
4. Boats are parked on beach. From time to time - when busy- John will park boats on beach - currently.

**May 2010**

1. Community preference of whether store should have an "on sale" or "off sale" liquor license.
